COMPASS CHRISTIAN ACADEMY

Founded:	August 2023
Mascot:	Navigators
Colors:	Blue and White
Grades:	K - 12th Grade
Administrators:	Pastors Kirk and Laurie Johnston
Administrator/Principal:	Josh Simons

Compass Christian Academy (CCA) is a mission of the Lighthouse and Hillsdale Churches and is under the authority of Administration and Session. CCA utilizes A.C.E. (Accelerated Christian Education) program as its primary curriculum and organization.

Each school using the A.C.E. program needs at least one professionally qualified supervisor/tutor for every 30 to 50 students, assisted by one or two monitors/paraprofessionals. The usual ratio is 1 supervisor with 1 monitor for up to 30 students and 1 supervisor with 2 monitors for 30 to 50 students. Compass Christian Academy will staff the school to appropriately meet the requirements of A.C.E. and the needs of its students.

Accreditation

The A.C.E. Program and its Curriculum are accredited through the following agencies:

- Middle States Association Commissions on Elementary and Secondary Schools (MSA-CESS)
- National Council for Private School Accreditation (NCPSA)
- Accreditation International (Ai)
 - Ai is a recognized member in good standing with the Council on Occupational Education (COE) and the International Council for Education.

Compass Christian Academy Committee

The mission and work of CCA is supported by the Compass Christian Academy Committee. Committee membership includes Administration, Staff, Elders, and volunteers representing both Hillsdale and Lighthouse congregations.

I. Purpose and Benefit

The purpose and benefit of this handbook is to be a reference guide for parents or legal guardians when questions arise throughout the school year about Compass Christian Academy's expectations of your child(ren).

II. Mission and Philosophy

"In Christ are hidden all the treasures of wisdom and knowledge."
(Colossians 2:3)

"But grow in the grace and knowledge of our Lord and Savior Jesus Christ. To Him be glory both now and forever."
(2 Peter 3:18)

"Do your best to present yourself to God as one approved, a workman who does not need to be ashamed and who correctly handles the word of truth."
(2 Timothy 2:15)

Mission Statement:

In partnership with parents, our mission is to provide a quality education, based on Biblical principles that will prepare, develop, and equip our students to serve the Lord Jesus Christ.

Core Values:

Excellence ... We are committed to provide a learning program that is academically rigorous and based on God's Word.

Critical Thinking ... We desire to teach and lead our students into a lifetime of truth seeking; using their God given skills to examine, research, and communicate truth.

Christian Service ... We desire to create an atmosphere where Christian service is developed and expected. Staff, students, and parents will be given opportunities to serve each other and our community.

Integrity ... We will strive to model Christ-like integrity in our interactions with each other.

Character ... We hope to instill Godly character traits into each child, using Jesus as our example.

Affordability ... We strive to keep our school affordable and available to all socio-economic levels.

Philosophy of Christian Education

We believe that Christian education is a vital link in the successful rearing of children. It is the desire of the staff and founders of Compass Christian Academy to work together with the family and their churches in reinforcing

high moral values and a Christian lifestyle, while providing an excellent education.

Compass Christian Academy believes that the home and church should work together to complement the school. This makes for a well-balanced Christian education. For this reason, we require all students to regularly attend and participate in a Christ-centered, Bible-preaching church. Families who partner with Compass Christian Academy must affirm the Statement of Faith adopted by Hillsdale and Lighthouse Presbyterian Churches (below).

Compass Christian Academy can never replace the significant spiritual impact of a godly home and church. The parents maintain the ultimate responsibility in training their children up in the Lord, but the school can assist them by including sound Biblical teaching and modeling Christian principles through Administration and Staff leadership.

To fully prepare a child for life in this world, education must include God as central to life. The home, church, and school must partner to prepare children spiritually, morally, socially, and academically for their adult lives. The school's primary responsibility is to provide the student with the necessary academic skills within the context of Biblical truth.

Statement of Faith (Evangelical Presbyterian Church):

All Scripture is self-attesting and being Truth, requires our unreserved submission in all areas of life. The infallible Word of God, the 66 books of the Old and New Testaments, is a complete and unified witness to God's redemptive acts culminating in the incarnation of the Living Word, the Lord Jesus Christ. The Bible, uniquely and fully inspired by the Holy Spirit, is the supreme and final authority on all matters on which it speaks. On this sure foundation we affirm these Essentials:

1. We believe in one God, the sovereign Creator and Sustainer of all things, infinitely perfect and eternally existing in three Persons: Father, Son, and Holy Spirit. To Him be all honor, glory and praise forever!
2. Jesus Christ, the living Word, became flesh through His miraculous conception by the Holy Spirit and His virgin birth. He who is true God became true man united in one Person forever. He died on the cross a sacrifice for our sins according to the Scriptures. On the third day He arose bodily from the dead, ascended into heaven, where, at the right hand of the Majesty on High, He now is our High Priest and Mediator.
3. The Holy Spirit has come to glorify Christ and to apply the saving work of Christ to our hearts. He convicts us of sin and draws us to the Savior. Indwelling our hearts, He gives new life to us, empowers and imparts gifts to us for service. He instructs and guides us into all truth, and seals us for the day of redemption.
4. Being estranged from God and condemned by our sinfulness, our salvation is wholly dependent upon the work of God's free grace. God credits His righteousness to those who put their faith in Christ alone for their salvation, thereby justifies them in

His sight. Only such as are born of the Holy Spirit and receive Jesus Christ become children of God and heirs of eternal life.

5. The true Church is composed of all persons who through saving faith in Jesus Christ and the sanctifying work of the Holy Spirit are united together in the body of Christ. The Church finds her visible, yet imperfect, expression in local congregations where the Word of God is preached in its purity and the sacraments are administered in their integrity; where scriptural discipline is practiced, and where loving fellowship is maintained. For her perfecting, she awaits the return of her Lord.
6. Jesus Christ will come again to the earth—personally, visibly, and bodily—to judge the living and the dead, and to consummate history and the eternal plan of God. “Even so, come, Lord Jesus” (Revelation 22:20).
7. The Lord Jesus Christ commands all believers to proclaim the Gospel throughout the world and to make disciples of all nations. Obedience to the Great Commission requires total commitment to “Him who loved us and gave Himself for us.” He calls us to a life of self-denying love and service. “For we are His workmanship, created in Christ Jesus for good works, which God prepared beforehand that we should walk in them” (Ephesians 2:10).

III. Educational Curriculum/Philosophy

Compass Christian Academy uses Accelerated Christian Education (A.C.E.) as the basis of education. This will be supplemented with various curricula as determined by Administration and Staff when needed. The educational concept of Accelerated Christian Education (A.C.E.) was built on five basic laws of learning:

1. The student must be placed on a level of curriculum where he/she can best perform.
2. The student must set reasonable and appropriate goals that can be achieved in a reasonable and prescribed period.
3. The student must be controlled and motivated through a balance of encouragement and discipline to assimilate, use, and experience the educational material.
4. The student's learning must be measurable.
5. The student's learning must receive recognition and reward for its value, effort, and significance.

The pioneering work of A.C.E. features a curriculum assuring parents of:

- A solid, back-to-basics education for their child(ren).
- A course of study individualized to meet a child's specific needs and learning capabilities.
- A program incorporating Godly character-building and wisdom principles.

From its beginning, A.C.E. has held to these goals. One result is students often score significantly higher on national standardized achievement tests than their counterparts in conventional schools.

Every person and every system of education displays a particular understanding of reality that is reflected in its educational philosophy. The educational philosophy of the Accelerated Christian Education curriculum and program is distinct and clear in its beliefs. God is the authoritative source for all knowledge; and God shapes the Christian's view of reality with regard to time, matter, and humankind. The Bible is the ultimate Truth and is the interpretive system used in the A.C.E. curriculum to understand God, time, matter, and humanity as given to us in the Bible.

Utilizing the A.C.E curriculum allows Compass Christian Academy to adhere to the following goals and principles:

- Every child is unique with vast potential, but dependent on others for spiritual, physical, mental, and behavioral development. Therefore, a student who enrolls in Compass Christian Academy (CCA) should be educated as a whole child and that education should be based upon a Biblical worldview.

- Education should be available to all children. Compass Christian Academy will therefore endeavor to expand its educational opportunities to parents and children of all abilities and all racial, economic, and cultural backgrounds who desire this educational base and are willing to accept the school's standards.
- Every child develops at a unique, individual pace based upon his or her developmental level, learning patterns, motivation, and academic potential. Compass Christian Academy is designed to assist each student to achieve a personal relationship with God through Jesus Christ, to develop a Christ-like character, to lay a strong academic foundation, and to realize his/her optimum potential for maturation physically, spiritually, and mentally.

Non-discrimination Policy

Compass Christian Academy admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other school administered programs.

IV. Tuition and Fees

Compass Christian Academy estimates the cost to fully fund the school to be \$6500 per student per year. This estimate is based on expected enrollment and paid staff. Compass Christian Academy desires, however, to provide an affordable, quality, Christian education option to the members of our community and surrounding communities. **Tuition assistance options are available and will be determined based on need (families can discuss this with Administration during the interview process).*

Tuition and Fees

Child 1	\$4500 per year
Child 2	\$3000 per year
Child 3+	\$2000 per year per child
Curriculum Materials	\$50 per student per month
Enrollment/Registration	\$50 one-time fee due by August 1
Standardized Testing	\$35 one-time fee due by January 1

Payment Schedule

Tuition and Curriculum Material payments are divided over a 10-month period and due on the first of each month. (*See options below for yearly or semester payments.*)

1st Semester Due Dates

Payment #1	August 1
Payment #2	September 1
Payment #3	October 1
Payment #4	November 1
Payment #5	December 1

2nd Semester Due Dates

Payment #6	January 1
Payment #7	February 1
Payment #8	March 1
Payment #9	April 1
Payment #10	May 1

Payments may be made by cash, check (made out to Compass Christian Academy), or online with a credit/debit card. If payment becomes an issue for your family, visit with an Administrator. Delinquent accounts may result in a student being unable to return to school until payment is made current.

To pay online, go to paolalighthouse.com. Click on the dollar sign icon in the upper right corner. Choose either the "Recurring" or "One-time" tab. Under "Fund", choose "Compass Christian Academy". Under "Sub Fund", choose "TUITION". Add a note to describe your payment. Enter the amount and complete the rest of the information to submit your payment.

Sample Calculations

- A family with one child enrolled would pay \$450 ($\$4500/10$) per month tuition plus \$50 per month for curriculum. The monthly payment would be **\$500** ($450 + 50$).
- A family with two children would be \$450 ($4500/10$) per month tuition for the first child and \$300 ($3000/10$) per month tuition for the second child. The curriculum fee per month would be \$100 (50×2). The monthly payment would be **\$850** ($450 + 300 + 100$).

Additional Fees/Costs

- Failed PACE Fee - If a student fails a PACE, there will be a fee of \$4 to cover the cost of the additional PACE that will need to be completed.
- Field Trips - Some field trips may require additional costs. If so, information will be provided in advance.
- School Pictures/Yearbook - Compass Christian Academy will provide families with options for school pictures and/or yearbooks, including information on costs.

Available Tuition Discounts

Discounts only apply to the tuition of the first child. Families choosing to pay full yearly tuition by the first day of school can receive a 5% discount on tuition of the first child (not including additional fees). Families that pay a full semester tuition by the first day of each semester can receive a 3% discount on tuition of the first child (not including additional fees).

Delinquent Accounts

Families are expected to make payments in a timely manner according to their payment plan. For any account that falls two months delinquent, the student may not attend school until the account is settled or satisfactory arrangements have been made with Administration. All fees from the previous school year must be paid before finalizing the enrollment for the next year.

V. Schedule

Compass Christian Academy follows a five day per week format for an academic year beginning the Tuesday after Labor Day and ending in mid to late May. Revocation of Enrollment Status

Each student is a valued member of the Compass Christian Academy family. When a student is struggling to be successful at CCA, we desire to make repeated efforts to guide, counsel, and support students academically and behaviorally as needed. However, Compass Christian Academy has the right, with reason, to dismiss a student from enrollment at CCA. Reasons for dismissal include repeated failure to adhere to the Standard of Conduct and/or determination that the academic model of CCA does not fit the student's academic needs. As a Christian school, we reserve the right to dismiss a student who cannot agree with our values. Tuition paid in advance will be refunded starting with the next monthly payment period. This applies only to tuition and not to any fees or other expenses paid by the parents. Accounts must be paid in full before students' records will be transferred.

Dress Code

Dress Code can promote unity among students, harmony in the classroom, and an orderly, respectful image to the public. It also relieves the staff from having to make judgments on what students wear each day.

Even though we are more concerned about matters of the heart than outward appearance, we believe that a person's appearance reflects the inner being. Therefore, we strive to focus on the qualities of the "inner person." The school wardrobe is based on core values including modesty, cleanliness, neatness, and safety.

The Dress Code applies when a student is on campus, as well as at all school functions. Students must comply from the time they arrive on campus to the time they depart. Deviations from the code must be pre-approved by the administration. Administration will have the final decision should a questionable situation arise.

A plan of study will be written for each student and communicated to parents based on the College Preparatory Course of Study. However, as CCA considers individual academic needs and educational goals an essential priority, each student's plan of study may be adjusted in cooperation with parents to meet his/her academic needs and goals. Administration will approve each plan of study and determine eligibility for a Compass Christian Academy diploma or certification of completion.

Compass Christian Academy College Preparatory Course of Study

XIII: Office Information

Inclement Weather

Compass Christian Academy will cancel school when Paola Schools (USD 368) cancel for inclement weather. In any instances where Compass Christian Academy cancels school on our own, parents will receive notification via email from their child's Supervisor.

Change of Status

If your address, phone number, email address, or any other personal information provided has changed (including emergency contact information), please notify the school in writing or via email as soon as possible.

School Visits

All parents are welcome in the school. Parental visits should be scheduled ahead of time with the School Administrator. No parent is to go directly to the classrooms. Lunches, homework, books and other items should be left with the Administrator or Security Volunteer at the entrance of the Harbor building. Items will then be transferred to the student.

Communication

- Parents are responsible to notify the school via email, phone, or text by **9:00am** if the child will not be able to attend school.
- The student must be signed in and/or out when arriving at times different than regular school hours.
- Visitor badges will be required for all parents, volunteers, and other visitors.
- In an emergency situation when it is necessary to get a message to a student as soon as possible, parents shall contact the School Administrator and the message will be relayed to the student immediately.

Volunteer Opportunities

We have many volunteer needs and opportunities and hope that every family will contribute their time generously to make our programs and activities a success. These needs may include monitoring lunch and/or recess, monitoring in classroom, substitute teacher, teaching electives, office projects, fundraisers, and many other areas.

Lunches

Compass Christian Academy does not provide school lunch. Nor does CCA provide refrigerator space or the use of a microwave. Lunches must be

brought from home each day. *Parents, please pack items that your child can open/prepare for him/herself as much as possible.*

Compass Christian Academy will periodically offer special lunches to celebrate holidays and special events. When this occurs, we will notify you in advance so you will be able to plan accordingly.

Safety Drills

Compass Christian Academy will conduct periodic fire, tornado, and other crisis drills in accordance with Kansas State Regulations.

Searches

Compass Christian Academy reserves the right to search the student's person, office, and belongings in the event the school suspects the student possesses an unapproved item. The search may be conducted without the student's or parent's permission.

XIV: Health Information

Before the first day of school, each student must present records showing that all immunizations are current or that they have an exemption.

Compass Christian Academy will adhere to the following procedures recommended by the Kansas State Health Department when dispensing medication:

- All medications (prescription/non-prescription) shall be given to a child only with dated, written permission from the child's parent(s), including the amount needed and time to be given.
- All prescription medicine/drugs shall be in the original container and labeled with the child's name, physician's name, and written instructions.
- Tylenol may be given with verbal or written approval of the parents.
- A log will be kept each time medicine is given.

For your child's protection and the protection of others, children should be kept home when they have any of the following symptoms:

- Severe cold symptoms: chronic coughing, sore throat, etc.
- Temperature: a child must have a normal temperature for at least 24 hours without medication prior to returning to school.
- Upset stomach, vomiting, abdominal pain, and diarrhea: A child must be kept at home until there has been neither vomiting nor diarrhea for at least 24 hours.
- Undiagnosed rash or skin lesions, red or discharging eyes (i.e. conjunctivitis/pink eye), earache or swollen glands. A child must be kept home with any of these symptoms until diagnosed by a doctor and the student has been symptom-free for at least 24 hours. Please notify the office in the event your child has been diagnosed as having a communicable illness.
- Head Lice: Students may not be readmitted to school until treatment has been accomplished and evidence of all live lice and lice eggs (nits) have been eliminated. Parents must report incidents of head lice to the office. Rooms will be treated and other students in the classroom will be checked to determine if any other students have been affected.

On the day of return (meeting symptom-free requirements) following an absence due to illness, should a student run a temperature of 100 degrees or higher or an appearance of other symptoms listed above occurs, the student's parents will be called to come and pick up the student.

When a student complains of illness:

- The school will check the child's temperature. If it is 100 degrees or more, the parent will be called to take the child home.
- If the student is still not feeling well one hour after an original complaint, the parent will be called to take the child home.
- If the child is vomiting and/or has diarrhea, the parent or emergency number will be called immediately.
- In the event of serious illness, accident or injury to any child, the school shall follow the parent's written instructions for emergency medical care, with prompt notification of the parent.
- Emergency Services will be contacted if Administration deems it necessary.
- Information regarding the illness, accident, or injury shall be noted in the school's health log.

XV: To Parents

Parents play a vital part in the total program of Compass Christian Academy. Cooperation between parents, Supervisors, and Administrators strengthens individual students and provides an excellent school experience. Together, we can help fulfill **Proverbs 22:6** which says: *“Train a child in the way he should go and when he is old, he will not turn from it.”* The following list contains steps that parents can take to help this process.

- Pray regularly for the Supervisors, Administrators, Monitors, Volunteers, and the CCA Committee.
- Volunteer regularly either during school hours or for special events outside of school hours. Encourage other family members (grandparents, aunts/uncles, etc.) to volunteer. *For safety issues, all those who volunteer during the school day must have a background check.*
- Attend school functions to which parents and other family members are invited.
- Recommend Compass Christian Academy to others as opportunities arise.
- Help support the school financially as the Lord blesses. Promote Compass Christian Academy among family and friends who might be interested in financially supporting Compass Christian Academy.
- If problems arise, seek to resolve them with the person(s) involved rather than spreading criticism or negative attitudes. (Matthew 18:15).
- If there are parent/Supervisor concerns, please communicate with the Supervisor first and advise Administrators if appropriate.
- Seek the advancement of Compass Christian Academy in all areas: spiritually, academically, and physically.

Conflict Resolution

The parties ascribing to an enrollment agreement for Compass Christian Academy believe the Bible commands them to make every effort to live at peace and to resolve disputes with each other in private or within the Christian community (**I Corinthians 6:1-8, Matthew 5:23-24, Matthew 18:15-20**).

- The parties agree that any claim or dispute arising out of or related to the agreement, including any claim or statutory claims, shall be settled by Biblically-based mediation.
- If resolution of a dispute and reconciliation are not the result of such efforts, the matter, except for collection of unpaid accounts, shall then be submitted for legally binding arbitration.
- The parties agree these methods shall be the sole remedy for any controversy or claim arising out of an enrollment agreement and expressly waive their right to file a lawsuit against one another in any

civil court for such disputes, except to enforce a legally binding arbitration decision. Each party agrees to bear the cost of arbitration, as set forth by an arbitration award.
